<b>Management's consultations with other accountants</b>	In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Corporation's financial statements or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.
<b>Auditor independence</b>	We affirm that PKF O'Connor Davies, LLP is independent with respect to the Corporation in accordance with relevant professional standards.
<b>Significant issues discussed with management prior to retention</b>	We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Corporation's auditor. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

## Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Yonkers Economic Development Corporation ("Corporation") internal control over financial reporting ("internal control") as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, we express no such opinion.

Professional standards require that we communicate to you, in writing, all significant deficiencies and/or material weaknesses in internal control that we identify in performing our audit. For this purpose, deficiencies in internal control are categorized as follows:

- A **deficiency in internal control** exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis.
- A **material weakness** is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Corporation's financial statements will not be prevented, or detected and corrected, on a timely basis.
- A **significant deficiency** is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be deficiencies, significant deficiencies, or material weaknesses and, therefore, there can be no assurance that all such deficiencies have been identified.

We did not identify any deficiencies in internal control that we consider to be material weaknesses, as defined above.

This communication is intended solely for the information and use of management and others charged with governance and is not intended to be and should not be used by anyone other than these specified parties. We will be pleased to discuss these communications and comments in further detail at your convenience, or to assist you in implementing the recommendations.

## On the Horizon

### **GASB Statement No. 96 – *Subscription-Based Information Technology Arrangements (“SBITA”)***

A SBITA is defined as a contract that conveys control of the right to use another party's information technology (“IT”) software, alone or in combination with tangible capital assets (the underlying IT assets), as specific in the contract for a period of time in an exchange or exchange-like transaction. The subscription term not only includes the period during which a government has a noncancellable right to use the asset, but also include periods covered by an option to extend or terminate.

Under this Statement, a government generally should recognize the right-to-use subscription asset as an intangible asset and a corresponding subscription liability. The liability should be recognized at the commencement of the subscription term, which is when the subscription asset is placed into service. The liability should be initially measured at the present value of the subscription payments expected to be made during the subscription term. Any future payments should be discounted using the interest rate charged, or if not readily determinable, the government's incremental borrowing rate should be used.

The subscription asset will be measured as the sum of the liability amount, payments made to the vendor prior to commencing the subscription term and any implementation costs, offset by any incentives received from the vendor. The amortization of the subscription asset would then be reported as an outflow of resources over the subscription term.

The Statement does provide an exception for short-term SBITAs, which have maximum contractual terms of 12 months or less, including any option to extend regardless of their probability of being exercised. Any payments for these short-term SBITAs would be recognized as outflows of resources.

Further, the Statement provides for additional disclosure requirements detailing descriptive information about the SBITA, including but not limited to the amount of the subscription asset, accumulated amortization, other payments not included in the measurement liability, principal and interest requirements and any other essential information.

Governments should review this standard early to anticipate what changes might need to be made to policies, accounting procedures, laws and regulations. The provisions of this Statement are **effective for fiscal years beginning after June 15, 2022 (i.e., the Corporation's financial statements for the year ended December 31, 2023).**

[e. info@yonkersida.com](mailto:info@yonkersida.com)

This representation letter is provided in connection with your audit of the basic financial statements of Yonkers Economic Development Corporation, New York (the "Corporation"), which comprise the statements of net position as of December 31, 2022 and 2021, and the related statements of activities and cash flows for the years then ended, and the disclosures (collectively, the "financial statements"), for the purpose of expressing opinions as to whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves as of the date of this letter, the following representations made to you during your audit.

#### **Our Responsibilities**

- 1) We acknowledge that we have fulfilled our responsibilities as set forth in the terms of the engagement letter dated November 10, 2022 for:
  - a) The preparation and fair presentation of the financial statements in accordance with US GAAP and include all properly classified funds and other financial information of the primary government required by generally accepted accounting principles to be included in the financial reporting entity.
  - b) The design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; and
  - c) The design, implementation, and maintenance of internal control to prevent and detect fraud.
- 2) We understand that the term "fraud" refers to intentional acts by one or more individuals among management, those charged with governance, employees, or third parties, involving the use of deception that results in a misstatement in financial statements. Two types of intentional misstatements are relevant to your audit – misstatements resulting from fraudulent financial reporting and misstatements resulting from misappropriation of assets. Fraudulent financial reporting involves intentional misstatements, including omissions of amounts or disclosures in financial statements to deceive financial statement users. Misappropriation of assets involves the theft of an entity's assets.
- 3) In regard to the financial statement preparation non-attest services performed by you, we have:
  - a) Assumed all management responsibilities
  - b) Designated individuals within senior management, who have suitable skill, knowledge, or experience to oversee the services.
  - c) Evaluated the adequacy and results of the services performed.

The methods of measurement and presentation of the financial statements and supplemental schedules have not changed from those used in the prior period, and we have disclosed to you any significant assumptions or interpretations underlying the measurement and presentation of the supplementary information.

#### **Financial Statements**

- 5) The financial statements referred to above are fairly presented in conformity with US GAAP and include all disclosures necessary for such fair presentation. In that connection, we specifically confirm that:
  - a) The Corporation's accounting policies, and the practices and methods followed in applying them, are appropriate and are as disclosed in the financial statements.
  - b) There have been no changes during the period audited in the Corporation's accounting policies and practices.
  - c) All material transactions have been recorded in the accounting records and are reflected in the financial statements.
- 6) Significant assumptions we used in making accounting estimates, including those measured at fair value, are reasonable.
- 7) The following, where they exist, have been appropriately disclosed to you and accounted for and/or disclosed in the financial statements in accordance with the requirements of US GAAP:
  - a) The identity of all related parties and related party relationships and transactions including revenues, expenditures/expenses, loans, transfers, leasing arrangements, and guarantees, and amounts receivable from or payable to related parties.
  - b) Guarantees, whether written or oral, under which the Corporation is contingently liable, if any.
  - c) The effects of all known actual or possible litigation, claims, and assessments.
- 8) We have evaluated events subsequent to the date of the financial statements through the date of this letter, and no such events have occurred which would require adjustment or disclosure in the financial statements. No events, including instances of noncompliance, have occurred subsequent to the balance sheet date and through the date of this letter that would require adjustment to or disclosure in the aforementioned financial statements.
- 9) We are in agreement with the adjusting journal entries you have proposed and they have been posted to the Corporation's accounts.

#### **Information Provided**

- 10) We have provided you with:
  - a) Access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements, such as records (including information obtained from outside of the general and subsidiary ledgers), documentation, and other matters.
  - b) Communications from regulatory agencies concerning noncompliance with, or deficiencies in, financial reporting practices, if applicable.
  - c) Additional information that you have requested from us for the purpose of the audit.

  - f) All significant contracts and agreements.
  - g) All documents and records provided electronically are accurate and complete reproductions of the original documents and records.

- 11) We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud. Based on our assessment, we did not identify any fraud risks that we believe would result in a material misstatement of the financial statements.
- 12) There are no deficiencies in the design or operation of internal control over financial reporting that are reasonably likely to adversely affect the Corporation's ability to initiate, authorize, record, process, and report financial data reliably in accordance with US GAAP.
- 13) We have no knowledge of any fraud or suspected fraud that affects the Corporation and involves:
  - a) Management,
  - b) Employees who have significant roles in internal control, or
  - c) Others where the fraud could have a material effect on the financial statements.
- 14) We have no knowledge of any allegations of fraud or suspected fraud affecting the Corporation's financial statements communicated by employees, former employees, regulators, or others.
- 15) We have no knowledge of instances of noncompliance or suspected noncompliance with provisions of laws, regulations, contracts, or grant agreements, or waste or abuse, whose effects should be considered when preparing financial statements.

#### **Hosting Services**

- 16) We acknowledge that electronic portals used during the audit are only a method of transferring data and the data may be deleted by you at any time.

- 25) We have identified and disclosed to you all instances of identified and suspected fraud and noncompliance with provisions of laws, regulations, contracts, and grant agreements that we believe have a material effect on the determination of financial statements.

- 27) As part of your audit, you assisted with preparation of the financial statements and disclosures. We acknowledge our responsibility as it relates to those nonaudit services, including that we assume all management responsibilities; oversee the services by designating an individual, preferably with senior management, who possesses suitable skill, knowledge, or experience; evaluate the adequacy and results of the services performed; and accept responsibility for the results of the services.
